Allied Health Opportunity Youth Scholarship

Do you know anyone who is 16-24 years old with a GED or High School Diploma not currently enrolled in college? To jumpstart your career path to a great future, connect with Delgado Community College's Opportunity Youth Program to enroll in Allied Health career training programs starting at just one semester long. Launch a rewarding career by contacting Liza Sherman today at lsherm1@dcc.edu or (504) 453-4806. The program includes:

- A free laptop for use throughout the duration of the program
- A community of peers and staff mentors partnered with student scholarship recipients to achieve successful degree completion and job placement
- Free one-on-one tutoring on an as-needed basis, if students are experiencing difficulties in any classes
- An individual staff mentor who will work with each student on an as-needed basis to access a menu of resources that will empower the student to successfully combat any life setbacks that may arise related to housing, transportation, childcare, food access, legal services, and much more
- Post-program job placement assistance
- Support services: access to childcare, transportation assistance, food pantry assistance, legal services, and more.

Program Spotlight: Teaching Grades 1-5

The Associate of Science in Teaching (A.S.T.) for Grades 1-5 is a transfer degree program that addresses the requirements of the new Baccalaureate of Science in Elementary Education offered by public and private colleges in Louisiana to increase the state pool of highly qualified teachers. The A.S.T. program provides the highest quality of foundational coursework specifically designed to produce teacher candidates for state universities and colleges of education. In addition to a comprehensive degree plan that easily transfers to four-year institutions, our Teaching Grades 1-5 program proudly offers the following:

- Earn an Associate of Science in Teaching (A.S.T.) for Grades 1-5
- Work as a paraprofessional (teacher's aide) in a school
- Affordable tuition and financial aid for those who qualify
- Transfer of credit to a university to become a certified teacher in the school system

As the need for highly qualified elementary education specialists increases, Delgado is helping to meet that need through this program. For more information, please contact the Teaching Grades 1-5 Chair Kenya M. Jackson at (504) 671-6367 or kjacks1@dcc.edu.

PepsiCo Foundation Uplift Scholarship Program

The Uplift Scholarship program is a partnership between Delgado Community College and The PepsiCo Foundation to address education inequalities facing the African American and Hispanic populations. The program supports Black and Hispanic students pursuing two-year degrees and professional certificate programs.

Scholarships awarded to qualifying students help offset tuition and other costs. The scholarship program offers academic and technical training courses to help students complete their education and earn jobs in high-growth, high-demand fields. The program also provides students with dedicated success coaches, access to emergency grants, and financial literacy courses.

NOLA Gold Rugby Partnership

Delgado Community College and NOLA Gold Rugby are pleased and excited to announce a new partnership. The NOLA Gold Rugby organization is helping Delgado reach fans and supporters of the team with messaging about the educational opportunities available at Delgado's seven locations and online. Delgado students are experiencing

the management and operations of a Major League Rugby team first-hand through educational experiences and internships.

The partnership involves NOLA Gold Rugby team members who will share information on the team's social media and other marketing channels about academic programs and areas of study at Delgado. NOLA Gold followers can consider a pathway to these fields or a career change through education at Delgado Community College.

MJ Foster Promise

The MJ Foster Promise is a state funded program that provides financial aid for tuition and fees for up to three years at Louisiana public two-year post-secondary institutions and a limited number of proprietary schools. Funding can be used for credentials (academic or non-credit) that align with high-demand jobs in five growing industry sectors: construction, healthcare / social assistance, information technology, manufacturing, and transportation / warehousing. The first class begins July 2022. Qualifications are as follows:

- Louisiana residents aged 21+ without associates degree
- No merit-based barriers (GPA/ACT)

- 300% FPL family income or 6 months unemployed (FAFSA req.)
- No HS diploma, but must co-enroll in HISET
- Attestation to remain in Louisiana and perform 20 hours of service
- Former nonviolent offenders eligible on release
