## Program Spotlight

### Care and Development of Young Children (CDYC)

Do you love to work with children? Dream of opening your own childcare business? Enjoy teaching others through fun and play? CDYC may be the right program for you!

Delgado Community College's Associate of Applied Science in Care and Development of Young Children (CDYC) is designed to prepare students for the workforce and careers working with young children.

Graduates will be prepared and eligible to:

- Open their own childcare centers in Louisiana
- Serve as childcare providers
- Serve as directors of licensed centers
- Work in/direct quality childcare programs such as Head Start
- Continue higher education in chosen fields

CDYC has a strong community connection and is a liaison with several childcare directors in the field. The program:

- Forged partnerships with local public and private school systems at the parish and state level.
- Works closely with Head Starts at the federal level to

ensure their employees have a quality education that fits their needs while fulfilling new state guidelines (CLASS training through CDA classes and integration of subject matter with our CDYC courses).

- Has a BESE approved Early Childhood Ancillary Certificate Program.
- Was officially changed from Early Childhood Education (ECED) to our current program name Care and Development of Young Children (CDYC) and has been accredited since 2006-2007 Academic Year.
- Has articulation agreements with SUNO and Holy Cross.

The average salary for childcare workers is between \$18,680 and \$25,490 (based on data from the U.S. Department of Labor).

# Veterans Upward Bound

Delgado's TRiO Veterans Upward Bound Program is back!

Veterans Upward Bound assists eligible veterans in their pursuit of higher education by offering a range of services, including academic advising, tutoring, career counseling, and assistance with college admissions and financial aid applications.

The program aims to empower veterans who are low-income and first-generation college students with the tools they need to succeed academically and personally.

For more information about the Trio Veterans Upward Bound Program at Delgado, please contact Channel Clivens-Smith at 504.671.5380 or [cclive@dcc.edu](mailto:cclive@dcc.edu).

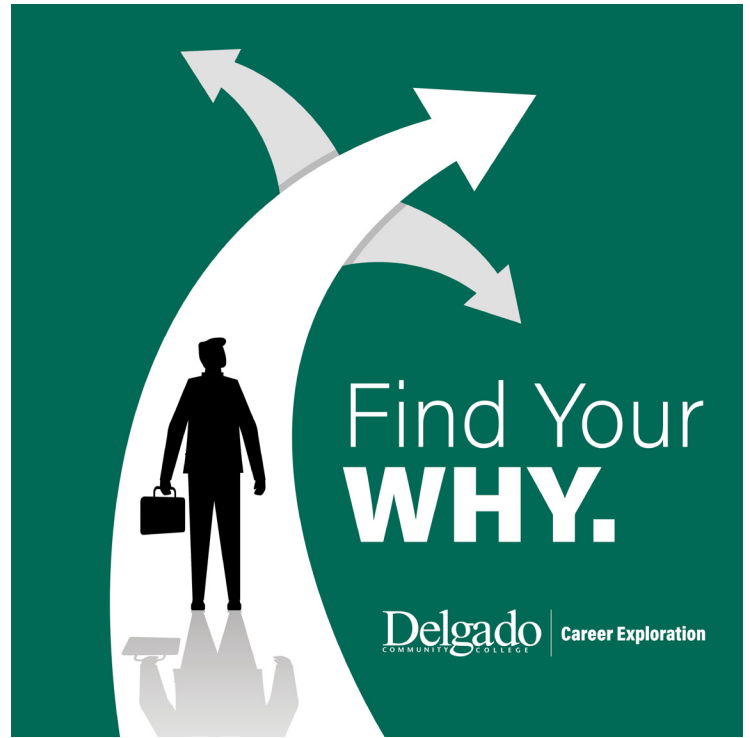

# Career Exploration: Find Your Why

Take a FREE career exploration assessment with us!

When completing the career exploration assessments before you enroll, you will be able to identify at least three career pathways that would be a good fit for you. You will match your career choice to a Delgado program of study and understand the labor market for your career options:

- Job growth in the field
- If your career has a bright outlook
- If your career is a green job
- Salary information
