

Spring 2024 Students - Registration Information
NURS 113: Nursing I and NURS 117: Pharmacology I

Dear Students:

Welcome to Charity School of Nursing (CSN) and Nursing I!! Your first semester of nursing school is finally here. It is something that you have been working hard to achieve as you have taken your prerequisites. The Nursing I faculty and the course coordinator want to welcome you to the school and our course. You may be feeling a little apprehension mixed with excitement, and these are normal feelings. In a few short weeks, these feelings will be forgotten as you are challenged to learn a new method of thinking about caring, new skills required of nurses to provide quality patient-centered care and of course, the foundation for your nursing career. In two short years, you will join professional nurses across the country in a profession that is challenging and respected worldwide.

Registration for NURS 113 and NURS 117 students **is Friday, December 14, 2023 at 0900.**

Before registering on LoLA, you need to check the registration information posted on the CSN website. You will need to know the time and location of your clinical sites before you register. After registering, it is extremely important to secure your enrollment by paying tuition/making down payment/ensuring that financial aid is in order before the College deadline. **If you do not get the desired clinical section/site, please do not call or email to be added to the section. To change sections after you have registered, you must find another nursing student to switch with you.**
