

**ADA Accommodations
Nurse Aid Exam
Certification**

Contains:

1. Submission of complete Testing Accommodation Request packet requirement
2. Timelines (deadlines for testing accommodation requests)
3. Testing Accommodation Request Form
4. Professional Evaluation Form

Delgado Community College (DCC) provides equal access and opportunity for all qualified persons without regard to disability in the participation of all college programs and activities pursuant to the Americans with Disabilities Act of 1990 (ADA) and other related federal and state law. This includes providing test-taking candidates with accommodations on the Nurse Aid Certification Exam to accurately assess skill and aptitude, without undue influence from a functional limitation associated with the candidate's disability.

Test-takers are asked to carefully review the packet and to complete the packet to the best of their knowledge. A complete testing accommodation packet will include:

- Testing Accommodation Request Form
- Documentation of disability or the Professional Evaluation Form

Incomplete accommodation request packets will not be considered.

The testing accommodation packet will be sent to the DCC Testing Administration Staff at:

Email Address: hwalto@dcc.edu

Physical Address: Ochsner Center for Nursing & Allied Health, 615 City Park Ave, New Orleans, LA 70119

Timeframe for Processing:

The testing accommodation packet should be received 30 days prior to the certification exam date to ensure the request can be reviewed and approved, as well as coordinating and implementing the testing accommodations. All requests for accommodations will be confidential. Test-takers will not be assessed any additional charges for necessary accommodations.

To ensure your testing accommodation packet can be fully processed, please note the following:

1. Test-takers are responsible for providing disability documentation from a qualified professional. This means a professional who has comprehensive training and experience in both evaluating and diagnosing the disability or condition.
2. Testing candidates can provide existing disability documentation from the qualified professional. Documentation should include the diagnosis of the disability, limitations of the disability (ies), and recommendations for testing accommodations.
3. Test-takers also have the option to have the qualified professional complete the Professional Evaluation Form (see page 4).
4. Activities of daily living (e.g., eating, ambulating, toileting, etc.) will not be approved as accommodations.
5. Additional disability documentation/ verification may be requested in some situations, such as when there is a need for further clarification around the nature of the disability or requested accommodations.

Testing Accommodation Request Form

Name of Testing Candidate: _____

Test-Taker ID: _____

Address: _____

City, State, Zip Code: _____

Testing Candidate Signature: _____ Date: _____

Professional Evaluation Form

Testing Candidate Name: _____

Address: _____

Phone Number: _____

This individual is requesting testing accommodations/ modifications on the Certified Nurse Aid Examination. In order to consider this request, as well as to ensure the provision of reasonable and appropriate accommodations, we require a Qualified Professional provide documentation of the candidate's disabilities. A qualified professional has comprehensive training and experience in evaluation and diagnosing, and *who is not a family member of the testing candidate*.

The purpose of the testing accommodation is to allow the testing candidate to demonstrate knowledge and proficiencies while adjusting for functional limitations associated with the disabilities. Testing accommodations provide access, but do not offer an unfair advantage. The documentation provided must include information that diagnoses the disability/ condition, describes the functional limitations in a testing setting, and indicates the severity and longevity of the disabilities for the purpose of determining testing accommodations.

To facilitate the gathering of such critical information, please respond to the following and return to Delgado Community College Testing Administration Staff.

1. Diagnosis (DSM/ ICD Code): _____

2. Date of Diagnosis: _____ Date of Last Contact with Candidate: _____

3. Describe the student's functional limitations in a testing setting. _____

4. Please indicate the RECOMMENDATIONS you have regarding necessary and appropriate testing accommodations/ modifications.
