Level II Section Information ALL **SECTIONS ARE TENTATIVE AND SUBJECT TO CHANGE**

Check your LOLA preferred email account, your DCC email should be used for communication in the courses.

Please read the entire document before you choose sections and register.

The curriculum plan for the 2nd semester, Level II, includes five courses: NURS125 (Nursing II); NURS 129 (Special Populations I); NURS 127 (Pharmacology II); PSYC 127 (General Psychology); and BIOL 211 (Microbiology). All five must be completed before enrolling in the 3rd semester nursing courses. Students who enroll concurrently in NURS 125 (Nursing II) and NURS 129 (Special Populations I) should enroll in courses taught by the faculty if possible from the same team. Four teams are planned for Spring 2025. Registration for Nursing 125 (Nursing II), Nursing 129 (Special Populations I) and NURS 127 (Pharmacology II) is **Thursday, December 19th at 1000**. There are 5 online Pharmacology II sections. **NURS 125 and 129 are the clinical nursing courses for level 2.**

Students who have previously registered for a clinical nursing course (*Re-taking the course*) **must register for a different team/faculty member** unless given permission to do so by the level coordinator.

Nursing 129 (Special Populations I) has limited clinical facilities for students. **All Nursing 129 clinicals are an 8-hour in person day per week and additional 4 hours of time to compose the 12 hour/week requirement. NURS 129 faculty will explain this in more detail.**

NURS 129 (Special Populations 1) is a three-week experience.

NURS 125 (Nursing II) is a fifteen-week experience.

You can take only NURS 125 or NURS 129 if you choose. If you are taking two nursing clinical courses, you need to register for and select two sections/CRN numbers.

The clinical component of NURS 125 is considered the 'Home Base' for enrolled students and students will rotate to the Special Populations I clinical as times are available. Students who register for NURS 125 sections 118 and 122 and some other students who register for Special Pops I will start their clinical in the Special Populations course for the first rotation and then rotate to the NURS 125 clinical. **Only students who register in NURS 125 sections 112 & 122 should email Ms. Pat Smart, psmart@dcc.edu**, Educational Coordinator for Level II, to select their NURS 125 clinical section preference from the team you are on. Students in Section 118 will select a clinical instructor from teams 1 or 2; students in Section 122 will select a clinical instructor from teams 3 or 4. These sections will be filled on a first email, first serve basis. Use the following registration tables to register for corresponding sections of the nursing courses. The rotation schedule if you are in both NURS 125 and NURS 129 will be explained during the level orientation on the first day of class.

Please note, testing for NURS 127/Pharm 2 will test in person on Monday afternoons, time is usually 1330. Testing for NURS 129/Special Pops1 is on Tuesday afternoons, time is usually 1330. These times are dependent on computer availability for testing. Testing for NURS 125 will be on Monday mornings, starting at 0900. If you are registered for a general educational class and the afternoon testing times present a conflict, please email Ms. Smart, psmart@dcc.edu

Students who register for a clinical with a NURS 125 instructor that is doing their own Special Pops I clinical, **should register for the corresponding CRN for that same clinical instructor for NURS 129/Special Pops I, if there is a spot.** If you do not need both NURS 129/Special Pops I and NURS 125 **please do not** register for sections where the same NURS 125 instructor is listed for NURS 125/Special Pops I. **Follow the grid all the way across. If students register for the wrong CRNs, they will be placed in the correct section during the first week of class. This causes clinical conflicts. Please follow these instructions.**

NURS 125 allows 8 students, NURS 129 allows 7 students. If you cannot register for the corresponding NURS 129 section with the same clinical instructor for NURS 125 from Team 1 or 2 choose NURS 129 Section 105; for Team 3 or 4-choose NURS 129 Section 113. The grid identifies the Sections for NURS 129 with their corresponding CRNs.

All students will be oriented to Level II on Tuesday, January 21, time TBA. During week one, you will have a **Medication Proficiency Evaluation. You have to renew/pay for your exam-soft account for the semester in order to take the Medication Proficiency Evaluation.** This will include things you learned in NURS 117/Pharm 1 and NURS 113/Nursing 1. **You have to renew/pay for your exam-soft account for the semester in order to take this evaluation. Plan for participation in class & clinical time during week one of the semester, Tuesday-Friday, from 8am-4:30 pm, even if you have a weekend clinical.** The calendar for the first two weeks will be posted on the Canvas site the week before classes start. You will receive instructions from your clinical instructor when to wear the clinical uniform and when you will be in the building for clinical/lab time. All students enrolled in NURS 125 and/or NURS 129 will take a **Medication Proficiency Evaluation (MPE), location TBD during the first week of classes. If you are taking ONLY Pharm 2/NURS 127- you do not need to take the MPE.**

Sections will be available to drop/add classes until January 22nd. See college website for times. January 29th is the deadline for 100 % tuition reimbursement for dropping classes.

There is one section with TBA, Section 116. At this time, I cannot tell you the location or times for clinical. As faculty are hired, I will post announcement on the canvas site.

NURS 127 All Pharm 2 classes are online. Pharm 2 testing will be on Monday afternoons in person. Classes are recorded weekly. You will view them and have assignments with due dates. This is an independent online classis. The deadlines for the assignments will be given by the faculty. Testing is in person.
