

Delgado Community College- Charity School of Nursing

Fall 2026 Level III Registration Grid

Please note: Every section and all information are tentative and subject to change!

The curriculum plan for the third semester, Level III, includes the following courses:

-NURS 220 (Nursing III), NURS 223 (Special Populations II), NURS 225 (Pharmacology III), and Math 130 or above.

-Students must complete all Level III Courses prior to enrolling in the fourth semester nursing courses.

-Students who enroll concurrently in NURS 220 and NURS 223 are encouraged to enroll in the same section of courses taught by the same faculty team; however, if not available, the selection must match the rotation pattern.

-Only one clinical rotation can be taken at a time. There are 3 separate 5-week rotations throughout the 15-week semester.

- Mandatory Level Orientation- Monday, August 17th from 1-3 pm on the second floor of the Student Life Center. Attendance will be taken. Students should plan to be on campus for classes Monday, Tuesday, Wednesday and either Thursday, Friday, or Saturday, dependent upon the day of their first clinical rotation for clinical orientation to be held at the School of Nursing.

Please plan now; failure to attend level and/or clinical orientation will result in an inability to begin the semester.

-Nursing 220 Clinical includes two 5-week rotations, Adult Med-Surg and Pediatrics, for 12 hours of clinical per week.

-Nursing 223 Clinical includes one 5-week rotation for 9 hours of clinical per week.

Important instructions regarding registration:
