Please note the following important information:

All classes will have testing administered in person whether class is delivered in person or online.

Any student taking a clinical course, Nursing 220 and/or 223, must take the Medication Proficiency Evaluation in person on Wednesday, January 22 from 9am-10:30 with locations to be announced on Canvas prior to testing.

Nursing 220 exams will be held 9:00-10:30 Tuesday mornings.

Nursing 223 exams will be held 1:30-2:30 on Monday afternoons.

Nursing 225 exams will be held 1:30-2:30 on Tuesday afternoons.

**If you have a general education class which conflicts with any nursing class time, please contact Mrs. Dufrene at bdufre1@dcc.edu immediately to make arrangements!

Course calendars with testing dates will be available on Canvas approximately 1 week prior to the start of classes in January.
