

WHAT COUNTS AS PLAGIARISM?

**Copying text
word-for word
without quotation
marks and citations**

**Paraphrasing
someone's ideas
without giving credit
or reusing your own
work from another
class without
permission**

**Using AI tools
(ChatGPT, Perplexity,
Gemini) without
ACKNOWLEDGEMENT
or REVISION**

**Collaborating on an
individual
assignment without
permission**

HOW TO AVOID PLAGIARISM

**Paraphrase with your
own word AND
sentence structure,
then cite**

**Quote directly when
repeating exact
language
and use citations**

**Track sources as you
research: authors,
titles, dates, URLs**

**If AI influenced your
work, add an AI
Disclosure: tool + how
used (brainstorming,
summarizing,
outlining etc.)**
