

MLA HEADING FOR FIRST PAGE

Last Name Page Number

First Name Last Name

Professor Name

Course Name

Day Month Year

Title

Your essay should begin here. Your first sentence of each paragraph should be indented.

The entire document should be double-spaced. All of your text, including the header and your title, should be 12pt Times New Roman font.

MLA TIPS:

- **Last Name Page Number should be in the header on all pages**
- **The heading with your name goes only on the first page**
- **Make sure all of your text is 12 pt and Times New Roman font. The text color should be black.**
- **Make sure your essay is double-spaced**
