Notes : *Math 203 is not equivalent to Math 163. Student will need to complete Math 163 at SELU. Math 203 will be substituted for Omis 200 with a "C" or better at SELU. For purposes of completing the AALT the student will only take Math 203 once and to meet the 6 cr. hr math requirement for the AALT. **SELU transfer students with more than 30 credit hours have 3 credit hours of free electives and the Humanities elective course satisfies this requirement.

*AALT Graduates completing the Statewide Concentration/Business curriculum have met, in full, all lower division general education requirements for a bachelor's degree in a general business program at any public College/School of Business in Louisiana. Admission requirements vary. * **Students should consult their expected transfer institution for program admission requirements and specific course recommendations to prepare for a particular business major.***
