Notes : *Transfer students to SELU have 2 credit hours of free electives and the Social Work degree also has 3 credit hours of electives. These credits must be transferable credits to complete the AALT.

*** Check catalog of transfer institution for specific course recommendations, depending on anticipated major.**

Completion of the AALT/ASLT degree guarantees that the student has met, in full, all lower division general education requirements at the receiving Louisiana public university. Graduates transferring with the transfer degree will have junior status. Courses or GPA requirements for specific majors, departments, or schools are not automatically satisfied by an AALT/ASLT degree.
