INTRODUCTION

In 1909, Isaac Delgado bequeathed the residue of his estate to the City of New Orleans to establish a manual trade school for young boys. With funds from this bequest, land was purchased for the current 57-acre City Park Campus adjacent to New Orleans Municipal City Park. In September of 1921, Delgado Central Trades School opened its doors with a program of vocational trades for 1,300 boys and young men. In the mid-1950s, Delgado began to search for a new mission and adequate funding. In 1956-1957, it was recommended that Delgado be expanded to a technical institute at the junior college level and that its main function be to provide post-high-school educational programs for technicians. The recommendation was adopted by the Delgado Board of Managers and the New Orleans City Council. As a result, the name of the institution was changed to Delgado Trades and Technical Institute, and a technical two-year college program was implemented. In 1960, the first graduates of Delgado Institute received their college degrees.

By action of the Louisiana State Legislature and the New Orleans City Council, in 1966 Delgado Institute became Isaac Delgado College and then Delgado Vocational-Technical Junior College and was recognized and approved as a model multi-campus, comprehensive community/junior college for Louisiana. Four years later, in 1970, Act 446 of the State Legislature (based on a 1969 New Orleans City Council Resolution) transferred Delgado College from control by the City of New Orleans to the Louisiana State Board of Education. Delgado was accredited by the Commission on Colleges of the Southern Association of Colleges and Schools in 1971. The College name was changed to Delgado Community College by Legislative act in 1980.

REPORTING REQUIREMENTS

SaVE ACT

The Campus Sexual Violence Elimination (SaVE) Act, or Campus SaVE Act, is a 2013 amendment to the federal Jeanne Clery Act. SaVE requires colleges and universities, both public and private, participating in federal student aid programs to increase transparency about the scope of sexual violence on campus, guarantee victims enhanced rights, provide for standards in institutional conduct proceedings, and provide campus community wide prevention educational programming.

Increased Transparency

Colleges and universities began with the 2013 calendar year collecting and reporting statistics for domestic violence, dating violence and stalking (as defined by the Violence Against Women Act) occurring on-campus, on public property within and adjacent to campus, and at non-campus properties like off-campus student organization housing and remote classrooms. Institutions are already required to report sexual assault statistics.

Institutions must collect statistics from a broad range of campus officials. The law requires disclosures to protect the confidentiality of victims in these statistical disclosures as well as any public record keeping, to the extent provided by law.

Victims' Rights

Institutions must adopt and publish procedures to afford all students and employees who report an incident of sexual violence – covering sexual assault, domestic violence, dating violence and stalking – specific rights whether or not they pursue any formal complaint or not. Additionally, written notice of these rights must be provided to a student or employee when they report their victimization.

Institutions must afford any student or employee who reports that they have been the victim of an incident of sexual violence, either on or off-campus, with the following information and rights:

- Possible sanctions or protective measures that may result from an institutional disciplinary proceeding (see Conduct Proceedings below for additional information);

REPORTING REQUIREMENTS

- Procedures that should be followed in the event of an incident of sexual violence including –
- The importance of preserving evidence for proof in criminal proceedings;
- To whom the offense should be reported;
- Options for reporting to law enforcement including the right to be assisted by campus authorities;
- The right to decline to report to law enforcement; and
- Information about no contact orders issued by a court.
- Notification about existing counseling, health, mental health, victim advocacy, legal assistance and other services available on and off-campus.
- Institutions must make changes to the academic, living, transportation and working situations of any victim if requested and reasonably available whether or not a formal report is made.

Conduct Proceedings

In addition to reporting to law enforcement, victims also have the option to seek protective or disciplinary action directly with their institution. Institutions must adopt and disclose policies that

- State the standard of evidence (which under current Title IX guidelines is “preponderance of the evidence” or more likely than not);
- Provide a “prompt, fair and impartial investigation and resolution”;
- Provide proceedings must be conducted by officials who receive annual sexual violence training, including on how to conduct an investigation, protect the safety of victims and promotes accountability;
- Require that both accuser and accused are entitled to the same opportunities to have others present, including the opportunity to be accompanied to any related meeting or proceeding by an advisor of their choice (an institution may not meet this requirement by denying both parties the right to an advisor);
- Require that both the accuser and accused shall be simultaneously informed, in writing, of –
- The outcome of any institutional disciplinary proceeding;
- The procedures for the accused and the victim to appeal the results of the proceeding;
- Any change to the results; and
- When such results become final.

REPORTING REQUIREMENTS

Education Programs

Institutions must provide primary prevention and awareness programs for all incoming students and new employees, along with ongoing prevention and awareness campaigns, that

- Includes a statement that the institution prohibits sexual violence;
- The definition of domestic violence, dating violence, sexual assault, and stalking in their jurisdiction (the institution must still follow the federal definitions when collecting statistics, offering victims assistance and conducting disciplinary proceedings);
- The definition of consent for sexual activity in their jurisdiction;
- Bystander intervention;
- Risk reduction; and
- Information about disciplinary proceedings and victims' rights as required by SaVE.

As a major component of the College's Comprehensive Safety Program policy, Delgado Community College has developed a comprehensive emergency plan, which addresses the planning, response, and recovery efforts to minimize injury to personnel, students, visitors and/or neighbors and damage to facilities, equipment and records in the event of an emergency. An emergency condition may be weather-related (e.g., hurricanes, storms, extensive flooding, etc.) or may be any condition that can cause extensive damage to facilities or loss of life (e.g., intruder, bomb threat, workplace violence, fire, etc.). Upon threat assessment, the Chancellor or his/her designee will activate the Emergency Plan. Campus and site-specific emergency plans have been developed based on the nature of the threat and will be activated as deemed necessary. If the emergency condition has affected or has the potential to affect the information systems of the College, the Chancellor or his/her designee will also activate the Office of Information Technology Disaster Recovery Plan.

FIRE DRILL AND EVACUATION

During the academic school year, Delgado Community College is required to hold fire drills in order to comply with city, state, and federal safety requirements. Basic information regarding hurricanes can be found at the National Oceanic and Atmospheric Administration's National Weather Service website: <https://www.weather.gov/>.

Hurricane Emergency Teams

The Chancellor of the College has designated the Vice Chancellor for Business and Administrative Affairs as the College's Emergency Coordinator. During the emergency period, the Emergency Coordinator has supervisory responsibility over departments and personnel who comprise the Hurricane Emergency Preparedness Team and the Hurricane Emergency Implementation Team. All recommendations of both teams must be relayed by the Emergency Coordinator to the Chancellor for his/her approval. The Chancellor has designated the Public Relations and Marketing Office as the official source of college announcements. This office will

SAFETY AND SECURITY POLICIES

possible way to ensure personal safety. Upon class cancellation, all students are encouraged to seek safety through evacuation outside of the storm area. Should any student in good conscience decide to leave prior to the official cancellation of classes, the student is responsible for making provisions for missed classes and assignments with their instructors directly. Faculty and staff choosing to evacuate prior to official closure of the college are responsible for using approved leave. General guidelines in the event of an evacuation:

- Take critical common items (documents, procedures, class rosters, grade books, syllabi, catalogs, stationary, and/or other user specific items that may be needed in the event of displacement).
- Take a copy of the College-wide and the appropriate departmental emergency plans for reference.
- Take college identification card.
- Make a practice of storing important documents, equipment, supplies, and/or teaching supplies away from windows and off of the ground if located on a ground floor of a building (i.e. off the floor, in upper drawers and shelves; computer equipment should be placed on top of the desk, rather than on the floor).
- Change voicemail or answering machine messages to indicate the college will be closed, advise callers to monitor the website and phone information line for up-to-date information.

NOTE: Any State of Louisiana property or official College documents removed with an individual employee are the responsibility of that employee while away from the college. Employees should follow established guidelines in notifying property control of the removal of state property, if time permits.

Hurricane Emergency Plan Stages

The Hurricane Emergency Plan is divided into four stages. The action steps indicated in the stages may or may not be taken within the stages listed, depending on the circumstances of the storm and time of day in which the stage occurs. In addition, the Emergency Coordinator may declare a change in stage at any time due to the unpredictable nature of hurricanes.

TITLE IX DEFINITIONS

In accordance with the [Louisiana Board of Regents Uniform Power-Based Violence Policy](#), Delgado Community College is committed to creating and maintaining an environment in which sexual violence against men and women is not tolerated. Intervening in such instances helps to foster a safe environment for all, while sending a message that this kind of

SAFETY AND SECURITY POLICIES

behavior will not be tolerated and is unacceptable in our community. The following definitions apply:

Sexual Misconduct is a sexual act or contact of a sexual nature that occurs, regardless of personal relationship, without the consent of the other person(s), or that occurs when the person(s) is unable to give consent or whose consent is coerced or obtained in a fraudulent manner. For the purpose of this Policy, sexual misconduct includes, but is not limited to, sexual assault, sexual abuse, violence of a sexual nature, sexual harassment, non-consensual sexual intercourse, sexual exploitation, video voyeurism, contact of a sexual nature with an object, or the obtaining, posting or disclosure of intimate descriptions, photos, or videos without the express consent of the persons depicted therein, as well as dating violence, domestic violence and stalking.

Sexual Assault as defined by the Clery Act: An offense that meets the definition of rape, fondling, incest, or statutory rape as used in the Federal Bureau of Investigation's Uniform Crime Reporting (UCR) program. Sexual Assault as defined by Louisiana State Law:

1. **Non-Consensual Sexual Intercourse:** Having or attempting to have sexual intercourse, cunnilingus, or fellatio without consent. Sexual intercourse is defined as anal or vaginal penetration by a penis, tongue, finger, or inanimate object.
2. **Non-Consensual Sexual Contact:** Any intentional sexual touching, or attempted sexual touching, without consent.

Sexual Exploitation: An act attempted or committed by a person for sexual gratification, financial gain, or other advancement through the abuse or exploitation of another person's sexuality. Examples of sexual exploitation include, but are not limited to, non-consensual observation of individuals who are undressed or engaging in sexual acts, non-consensual audio- or videotaping of sexual activity, prostituting another person, allowing others to observe a personal consensual sexual act without the knowledge or consent of all involved parties, and knowingly exposing an individual to a sexually transmitted infection without that individual's knowledge.

Stalking as defined by Clery Act: Intentional and repeated following or harassing that would cause a reasonable person to feel alarmed or that would cause a reasonable person to suffer emotional distress or intentional and repeated uninvited presence at another person's: home, work place,

SAFETY AND SECURITY POLICIES

school, or any other place which would cause a reasonable person to be alarmed or would cause a reasonable person to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping or any other statutory criminal act to the victim or any member of the victim's family or any person with whom the victim is acquainted. 34 CFR 668.46(a)(ii).

Stalking as defined by Louisiana State Law: Stalking is the intentional and repeated following or harassing of another person that would cause a reasonable person to feel alarmed or to suffer emotional distress. Stalking shall include but not be limited to the intentional and repeated uninvited presence of the perpetrator at another person's home, workplace, school, or any place which would cause a reasonable person to be alarmed, or to suffer emotional distress as a result of verbal or behaviorally implied threats of death, bodily injury, sexual assault, kidnapping, or any other statutory criminal act to himself or any member of his family or any person with whom he is acquainted. La. RS § 14:40.2(A) "Harassing" means the repeated pattern of verbal communications or nonverbal behavior without invitation which includes but is not limited to making telephone calls, transmitting electronic mail, sending messages via a third party, or sending letters or pictures. "Pattern of conduct" means a series of acts over a period of time, however short, evidencing an intent to inflict a continuity of emotional distress upon the person. Constitutionally protected activity is not included within the meaning of pattern of conduct. La. R.S. § 14:40.2(C)

Domestic Violence definition in Clery Act: Violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a current or former spouse or intimate partner or any other person from whom the alleged victim is protected under federal or Louisiana law. Felony or misdemeanor crime of violence committed:

- By a current or former spouse or intimate partner of the victim;
- By a person with whom the victim shares a child in common;
- By a person who is cohabitating with, or has cohabitated with, the victim as a spouse or intimate partner;
- By a person similarly situated to a spouse of the victim under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred; or
- By any other person against an adult or youth victim who is protected from that person's acts under the domestic or family violence laws of the jurisdiction in which the crime of violence occurred

SAFETY AND SECURITY POLICIES

Family Violence definition in Louisiana State Law: means any assault, battery, or other physical abuse which occurs between family or household members, who reside together or who formerly resided together. La. R.S. § 46.2121.1(2)

Domestic Abuse definition in Louisiana State Law: Includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one family or household member against another. La. R.S. 46:2132(3)

Dating Violence definition in Clery Act: Violence, including but not limited to sexual or physical abuse or the threat of such abuse, committed by a person who is or has been in a social relationship of a romantic or intimate nature with the alleged victim. The existence of such a relationship will be determined based on a consideration of the length and type of relationship and the frequency of interaction.

Dating Violence definition in Louisiana State Law: "Dating violence" includes but is not limited to physical or sexual abuse and any offense against the person as defined in the Criminal Code of Louisiana, except negligent injury and defamation, committed by one dating partner against the other. La. R.S. §46.2151 (C) For purposes of this Section, "dating partner" means any person who is or has been in a social relationship of a romantic or intimate nature with the victim and where the existence of such a relationship shall be determined based on a consideration of the following factors:

- The length of the relationship.
- The type of relationship.
- The frequency of interaction between the persons involved in the relationship.

Sexual Harassment: Unwelcome conduct of a sexual nature when i) submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or education; ii) submission to or rejection of such conduct by a person is used as the basis for a decision affecting that person's employment or education; or iii) such conduct has the purpose or effect of unreasonably interfering with a person's employment or education, or creating an intimidating, hostile, or offensive employment or educational environment, and has no legitimate relationship to the subject matter of a course or academic research. Sexual harassment also includes non-sexual harassment or

SAFETY AND SECURITY POLICIES

discrimination of a person because of the person's sex and/or gender, including harassment based on the person's nonconformity with gender stereotypes. For purposes of this Policy, the various forms of prohibited sexual harassment are referred to as "sexual misconduct."

Retaliation: Acts or attempted acts for the purpose of interfering with any report, investigation, or proceeding under this Policy, or as retribution or revenge against anyone who has reported Sexual Misconduct or Relationship Violence or who has participated (or is expected to participate) in any manner in an investigation, or proceeding under this Policy. Prohibited retaliatory acts include, but are not limited to, intimidation, threats, coercion, or discrimination. Title IX prohibits Retaliation. For purposes of this Policy, an attempt requires a substantial step towards committing a violation.

Consent: Consent to engage in sexual activity must exist from beginning to end of each instance of sexual activity. Consent is demonstrated through mutually understandable words and/or actions that clearly indicate a willingness to engage in a specific sexual activity. Silence alone, without actions evidencing permission, does not demonstrate consent. Consent must be knowing and voluntary. To give consent, a person must be of legal age. Assent does not constitute consent if obtained through coercion or from an individual whom the Alleged Offender knows or reasonably should know is incapacitated. The responsibility of obtaining consent rests with the person initiating sexual activity. Use of alcohol or drugs does not diminish one's responsibility to obtain consent. Consent to engage in sexual activity may be withdrawn by any person at any time. Once withdrawal of consent has been expressed, the sexual activity must cease. Consent is automatically withdrawn by a person who is no longer capable of giving consent. A current or previous consensual dating or sexual relationship between the persons involved does not itself imply consent or preclude a finding of responsibility.

Incapacitation: An individual is considered to be incapacitated if, by reason of mental or physical condition, the individual is manifestly unable to make a knowing and deliberate choice to engage in sexual activity. Being drunk or intoxicated can lead to Incapacitation; however, someone who is drunk or intoxicated is not necessarily incapacitated, as incapacitation is a state beyond drunkenness or intoxication. Individuals who are asleep, unresponsive or unconscious are incapacitated. Other indicators that an individual may be incapacitated include, but are not limited to, inability to communicate coherently, inability to dress/undress

SAFETY AND SECURITY POLICIES

without assistance, inability to walk without assistance, slurred speech, loss of coordination, vomiting, or inability to perform other physical or cognitive 5 tasks without assistance.

Coercion: is the use of express or implied threats, intimidation, or physical force which places an individual in fear of immediate harm or physical injury or causes a person to engage in unwelcome sexual activity. Coercion also includes administering a drug, intoxicant, or similar substance with the intent to impair that person's ability to consent prior to engaging in sexual activity.

Responsible Employee: Each institution must designate and publish the names and contact information for easily accessible institution employees as responsible employees who have the authority to take action to redress sexual violence and have been given the duty of reporting incidents of sexual violence or any other misconduct by students to the Title IX Coordinator or other appropriate school designee. However, an institutional decision to make all institution employees mandatory reporters of suspected or known sexual harassment or sexual misconduct to the Title IX Coordinator or other appropriate school designee does not render all institutional employees to be responsible employees. Employees who are authorized or required by law to keep information confidential by virtue of the employee's professional role such as counseling staff or similar shall not be designated as mandated reporters of sexual harassment or as responsible employees.

Sexually-Oriented Criminal Offense: Any sexual assault offense as defined in: La. R.S. 44:51 and any sexual abuse offense as defined in La. R.S. 14:403.
Complainant: An individual whose report of sexual misconduct has not yet been investigated and validated.

Victim: An individual who, after all due investigation and/or adjudication, has been found to be the target of sexual misconduct.

Respondent: An individual against whom a sexual misconduct complaint is brought, which has not yet been validated through investigation and/or adjudication.

Perpetrator: An individual found guilty of sexual misconduct.

Confidential Advisor: The confidential advisor primarily serves to aid a student involved in a sexual misconduct complaint in the resolution process as a confidential resource. As suggested by the term "confidential

SAFETY AND SECURITY POLICIES

advisor," confidential communications with the advisor will be kept confidential in all circumstances except where the institution or advisor may be required to disclose the communications under state and federal laws. For example, an institution may be compelled by law to disclose communications between the student and his/her confidential advisor if directed by the court in civil litigation. Each institution shall designate individuals who shall serve as confidential advisors.

HOW TO FILE A TITLE IX COMPLAINT

In accordance with [LCTCS Policy #9.001 Power -Based Violence](#) and [LCTCS Policy #9.002 Title IX Grievance Procedures](#), Delgado Community College is committed to providing a learning and working environment free of sexual discrimination and sexual misconduct. Sexual discrimination and sexual misconduct violates an individual's fundamental rights and personal dignity. Delgado Community College considers sexual misconduct and sexual discrimination in any form to be a serious offense. Anyone who believes there has been an act of discrimination on the basis of sex against any person or group in a program or activity that receives federal financial assistance may file a complaint with the U.S. Department of Education, Office for Civil Rights, under Title IX legislation. The person or organization filing the complaint need not be a victim of the alleged discrimination but may be affected by a general "hostile sexual environment" or may complain on behalf of another person or group. A complaint can be filed one of three ways:

1. Contact Delgado's Title IX Coordinator, Traci B. Smothers, at 504-762-3004 or tsmoth@dcc.edu.
2. Log onto the College's [Referral Reporting System](#).
3. Contact the Office of Civil Rights Enforcement Office that serves the state in which the alleged discrimination occurred.

SAFETY AND SECURITY POLICIES

The complaint may, but is not required to be, provided in writing, and may include:

- The name, organization, department, and position of the person or persons allegedly violating this policy;
- A description of the incident(s), including the date(s), location(s), and the presence of any witness(es);
- If the complainant is an employee, the alleged effect of the incident(s) on the complainant's position, salary, benefits, promotional opportunities, or other terms of conditions of employment;
- The name(s) of other student(s) or employee(s) who might have been subject to the same or similar conduct; and/or
- Any other information the complainant believes to be relevant to the alleged sexual misconduct, discrimination, harassment, or retaliation.

While all sexual discrimination and sexual misconduct complaints must be filed with the Title IX Coordinator, student-involved complaints will use the student judicial process for disciplinary measures, as applicable. Employee-involved complaints will use Human Resources processes to determine the appropriate disciplinary action, or recommendation for disciplinary action, up to and including dismissal, in accordance with applicable laws, rules, and/or applicable Delgado Community College and Louisiana Community and Technical College System (LCTCS) policies. See [LCTCS Policy #9.001 Power -Based Violence](#) and [LCTCS Policy #9.002 Title IX Grievance Procedures](#).

Under Title IX, if you choose to report sexual assault or harassment, the person to whom you report may be required to submit a form, which is used to compute campus crime statistics as mandated by the [Clery Act](#). The form asks for information such as what kind of offense occurred and whether it happened on College property. You do not have to provide any details beyond those you with which you are comfortable sharing, and you have no obligation to give the perpetrator's name if you do not want to. You may or may not be able to report anonymously, depending on the person to whom you report, but in no case will your name appear in the College's public crime statistics. You have a right to access your incident report in the future, which may involve getting a case number for reference.

TITLE IX RESPONSIBLE EMPLOYEES

For the purposes of Title IX, responsible employees are defined as those employees with the authority to take action and redress sexual violence, and have been given the duty of reporting incidents of sexual misconduct

SAFETY AND SECURITY POLICIES

by students and employees to the Title IX Coordinator.

All Delgado Community College employees are designated as responsible employees, with the exception of those employees who are authorized or required by law to keep information confidential by virtue of their role. Responsible employees have a duty to report incidents of sexual violence or misconduct to the College's Title IX Coordinator or other designated College official.

Title IX requires reporting from "responsible employees," which include:

1. Those with authority to address and remedy sex and gender-based discrimination and harassment; and/or
2. Those with responsibility to report sexual misconduct to supervisor, Title IX Coordinator, or other designated College official; and/or
3. Those who a student would reasonably believe have such authority or obligation; and/or
4. All supervisors of other employees

Title IX does **not** consider the following as responsible employees because they are authorized or required by law to keep information confidential by virtue of their role:

1. Confidential Advisors*

* See current list of [Delgado Title IX Confidential Advisors](#).

Accordingly, individuals working in the above described capacities at the College are not designated as responsible employees.

TITLE IX ANTI-VIOLENCE RESOURCES

In support of Delgado Community College's commitment to maintaining an environment in which sexual violence is not tolerated, referral information to available community resources is included as part of the College's Title IX Program. Individuals seeking anti-violence referral information are encouraged to contact the community resources at <http://www.dcc.edu/title-ix/resources.aspx>.

SEX OFFENDER REGISTRY AND ACCESS

The Campus Sex Crimes Prevention Act of 2000 (CSCPA), was signed into law on October 28, 2000. It amends the Jacob Wetterling Crimes against

SAFETY AND SECURITY POLICIES

Children and Sexually Violent Offender Registration Act and the Clery Act. Any person required to register under a state sex offender registration program must notify the state regarding whether he/she is enrolled or works at an institution of higher education; identify each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student; and alert the state of any change in enrollment or employment status. CSCPA is a federal law that provides for the tracking of convicted sex offenders enrolled at, or employed by, such institution. It requires state law enforcement agencies to provide a list of registered sex offenders who have indicated that they are enrolled, employed or carrying on a vocation at the college. The Louisiana State Police maintains the Louisiana Sex Offender and Child Predator Registry (SOCPR) for the State of Louisiana and is responsible for the enforcement of the applicable sections of laws cited above. Information about any such registered individual affiliated with Delgado Community College may be found at the public SOPR website:

<https://www.lsp.org/community-outreach/sex-offender-registry/>.

In addition to the amendments previously mentioned the CSCPA also amends the Family Education Rights and Privacy Act of 1974 (FERPA) to clarify that nothing in FERPA can prohibit an educational institution from disclosing information provided to the institution concerning registered sex offenders.

For additional information assistance please contact the Delgado Community College Police Department at 504-671-6112.

SAFETY AWARENESS TIPS

SEXUAL MISCONDUCT/HARASSMENT

The College is committed to having a positive learning and working environment for its students and employees and does not tolerate sexual harassment of its members. Sexual harassment is a form of discrimination that is illegal under Title VII of the Civil Rights Act of 1964 and Title IX of the Elementary/Secondary Education Act of 1972. Sexual harassment is demeaning and degrading; it affects an individual's self-esteem and can have a negative impact on performance at work or in class. Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when: (1) submission to such conduct is made either explicitly or implicitly a term or condition of a person's employment or academic advancement; (2) submission to or rejection of such conduct by an individual is used as the basis for decisions affecting an individual's employment or academic standing; or (3) such conduct has the purpose or effect of unreasonably interfering with a person's work or academic performance or creating an intimidating, hostile or offensive work, learning or social environment. It is the policy of Delgado Community College that no member of the College community may sexually harass another. This includes sexual harassment of an employee by another employee, of a student by an employee, of an employee by a student, and of a student by another student. Visitors to the campus are also covered by this policy should the alleged incident occur on College property. Additionally, the College does not tolerate harassment of its students or employees at campus-sponsored events or programs held at off-campus locations or by non-institutional personnel in programs sponsored or supported by the institution. Through the procedures established by the College, employees and students who believe they have been subject to sexual harassment can have their complaints handled promptly and receive due process for the filing of grievances.

SECURITY (KEYS) AND BUILDING SAFETY POLICY

The purpose of Delgado Community College's access control program is to ensure the safety of employees, students and visitors while safeguarding the physical assets of the College. The primary objective of Delgado Community College's access control policy is to balance the goal of maximum utilization of and access to facilities with the need to control such utilization and access for safety and security purposes. These objectives are supported through responsible access privilege (key and Electronic) control. Maintaining accurate, effective access control – through metal keys and electronic devices – is critical to protecting

SAFETY AWARENESS TIPS

individuals and physical assets. The recent addition of the Access Control System allows for more controlled access to buildings on campus. The Access Control System creates a record of times and dates when facilities are in use and allows for the automatic opening and closing of buildings and securing them after hours.

LIGHTING

A group of administrators, police officers, and facility services personnel examine the campus on a daily basis to ensure adequate lighting.

Campus Police assesses any areas requiring lighting repairs and/or additional illumination, and submits these items to the appropriate department.

SAFETY AWARENESS TIPS

ESCORT SERVICES

The Delgado Community College Campus Police Department offers escorts to student's staff, faculty and visitors. Contact Campus Police to request an escort at 504-671-6112 during the normal working hours of 6 a.m. - 10 p.m., Monday - Friday or at 504-818-6254 on Saturday, Sunday, and holidays.

COMPREHENSIVE SAFETY PROGRAM

Delgado Community College is committed to providing a safe environment for students, employees, visitors, and persons using College facilities. A comprehensive safety program has been established to address the various threats to the safety of the College's constituents.

The College works in cooperation with appropriate federal, state and external agencies – in particular the State of Louisiana Office of Risk Management, which is responsible for coordination, implementation and maintenance of safety and loss prevention programs within all State agencies. Furthermore, Delgado strives for adherence to and compliance with all safety-related laws and regulations.

Comprehensive Program: A College-wide Structure

Delgado's commitment to a college-wide safety program is demonstrated by the adherence to a comprehensive structure for administering the program. This structure begins with the Chancellor designating a Risk and Safety Manager, who coordinates all components of the program. The College Risk and Safety Manager chairs a college-wide Safety Council, composed of appropriate

SAFETY AWARENESS TIPS

college-wide and campus/site specific representatives involved in the safety program and deemed by the Chancellor. The function of the Safety Council is to address all components of the college-wide safety program and make policy and procedural recommendations for improvements on an ongoing basis.

Campus/Site Implementation

The program's College-wide structure is extended to and managed across all campuses and sites by each Campus Executive Dean/ Site Administrator, who is responsible for working with the College Risk and Safety Manager and overseeing a comprehensive safety program on his/her campus or site. To accomplish this, each year a Campus/Site Safety Committee is established to ensure input on safety and loss prevention from all operational units of the College. These committees are chaired by the Campus Executive Dean/ Site Administrator or his/her designated representative. The Campus Executive Dean/ Site Administrator or his/her designated representative shall also serve as the Campus/Site Safety Program Coordinator. Committee membership includes Division Deans or designees, as deemed appropriate by the Executive Dean/ Site Administrator; representatives from Campus Police, Maintenance, and Central Utilities, if applicable; the campus/site SGA President; and others recommended by the Campus Executive Dean/ Site Administrator.

Components of the Safety Program

As the safety of College's constituents is affected by various components associated with potential threats, specific components of the College's comprehensive safety program have been identified through associated external regulations. The College is diligent in working toward maintaining full compliance and adherence to all related laws and regulations. Each specific component of the Comprehensive Safety Program follows the structure set forth above in administering each of the respective component programs. The following includes the components of the comprehensive safety program and respective policy and procedures for full implementation.

SAFETY TIPS

Here are some suggestions to keep you safe while on campus at Delgado:

- When working late, make sure doors are locked.
- Avoid using stairs in remote areas of the building.
- Never prop doors open.
- Keep belongings in an area that can be locked up, such as a desk or cabinet.

SAFETY AWARENESS TIPS

- Do not hold doors open for strangers when the building is closed for the evening.
- Let others know where you are when working late.
- Use the Safe Escort Services provided by the University Police to walk you to your vehicle.
- Think of the “what ifs” and have a plan in mind.
- Do not be distracted while walking or jogging.
- Office personnel should have a plan in place for emergencies such as angry or volatile persons or domestic violation situations.
- Always roll your windows up and lock your car.
- Don't leave valuables in plain view. Items left in the open attract thieves. Store them in the trunk if necessary.
- Engrave expensive accessories, such as car stereos and speaker systems, with your driver's license number. This aids the police in tracing the stolen items.
- Never leave your vehicle running and unattended.
- Install an anti-theft device that is highly visible, hard to defeat and renders the car inoperable.
- Drop a business card or address label in the map pockets of your doors.
- Don't hide a spare key.
- Don't leave important papers such as bank statements, credit card statements, and other important documents in your car.
- Photocopy your registration and insurance information and keep it in a safe place other than your vehicle.
- Most importantly, be crime wise. Think of what you can do to protect your belongings ahead of time before you become a victim. Don't become complacent.
- If you find your car has been burglarized, contact the Delgado Campus Police Department immediately and try not to touch the vehicle. The more you touch your vehicle, the more you contaminate the crime scene.

If you are confronted by an armed robber:

- Do not resist.
- Look at the robber but do not stare. This will enable you to provide a description to the police later.
- Assure the robber you are complying with his or her demands.
- Move slowly – avoid quick movements.
- Carry only as much cash and credit cards as you will need for the occasion.
- Take a cab to move about the city or travel in groups.
- Report any incidents to the University Police Department or if off campus to the local law enforcement authorities.

SAFETY AWARENESS TIPS

If you live in a residence hall or apartment, remember:

- Always lock your door when taking a nap, shower, retiring for the evening, or leaving your residence.
- Never hold or prop open the door to the residence hall or apartment.
- Secure valuables when leaving your residence.

Protecting yourself against sexual assault:

- If you are being victimized by a person who is attempting to sexually assault you, take the following steps to stop the assault from progressing. Remember that the goal is survival.
- Stall for time. Figure out your options. Each situation is different. Decide if you will fight, try to talk your way out of the assault, scream, or, if necessary for your survival, submit.
- If you fight, hit hard and fast. Target the eyes and groin.
- Try to dissuade the attacker from continuing. Tell him you have a sexually transmitted disease, tell him you are menstruating, urinate, vomit, or do anything to discourage the attacker.

Protecting yourself against stalking:

- In recent years society has become more aware of the dangers of stalking. Stalking, under Louisiana law, is repeated harassment that could or does cause the victim to feel intimidated, threatened, or frightened. While it is difficult to prevent stalking from occurring, you can take steps to prevent it from continuing.
- If you are a victim of stalking, report this to Campus Police or local police department, even if you do not know if you will be filing charges.
- Gather information to help your case, such as taped recordings of threatening phone calls, license plate state and number, description of vehicle, a personal description, and a detailed listing of any contacts the stalker makes with you.
- Follow up in court. Take out an anti-stalking order at your local circuit court, and/or file a civil lawsuit against the stalker for damages resulting from the stalker's behavior.
- If the stalking continues after the anti-stalking order has been sent, contact the police. No method of crime prevention is guaranteed to work 100 percent of the time. However, in taking these steps, you are removing the opportunity from would be criminals, and you will be less likely to be victimized. Be smart. Learn these steps, and make them a habit in your life.
